

ESSENTIALS

A: Family, schools, peers, media, social environments (including civic and religious organizations) contribute to the development of an individual’s political attitudes and values through the process of political socialization.

B: As a result of globalization, U.S. political culture has both influenced and been influenced by the values of other countries.

1. What is the underlying idea of this cartoon? [Write your response like a claim statement]
2. List advantages and disadvantages of globalization. Can it be impeded? Should it?

Political socialization is how we learn to think politically. Certain demographic factors give us a political bent. Complete chart.

	Democrats Liberals	Republicans Conservatives

Iconic British Prime Minister, Margaret Thatcher, was often called “TINA” for her unyielding support of globalization. Investigate. Can we call you TINA, too?

QUANTITATIVE ANALYSIS

% of validated voters in 2016 who reported voting for...

	CLINTON	TRUMP	Share of electorate
Men	41	52	45
Women	54	39	55
18-29	58	28	13
55+	45	53	56
White	39	54	74
Black	91	6	10
Non-college grad	43	50	63
Protestant	39	56	47
No religion	61	27	14

Pew Research Center

Use the information graphic to answer the questions.

- A. Identify the % of the electorate in 2016 that was under the age of 30.
- B. Describe a similarity or difference between the Clinton voters and Trump voters in 2016, and draw a conclusion that explains the similarity or difference.
- C. Explain how the data in the bar graph might be used to prioritize a legislative agenda in Congress.
